

Personal Independence Payments

Personal Independence Payment (PIP) is money for people who have extra care needs or mobility needs (difficulty getting around) as a result of a disability.

There are two parts called components

- **Daily Living Component**
- **Mobility Component**

You may qualify for one or both of them. Both of these components have a standard and enhanced rate.

PIP is replacing Disability Living Allowance (DLA). There is **NO** automatic transfer from DLA to PIP; you **MUST** make a new claim. There is no guarantee that claimants will be awarded PIP. PIP entitlement criteria are different to those for Disability Living Allowance.

Age rules: You must be 16 or over but under 65 when you first claim.
